Salvete Omnes! It's your historian, Kaleigh, here. I wanted to thank all the CAJCLers for making this such an amazing year! I know this year presented us with some unforeseen obstacles, but what I found to be incredible was the overwhelming CAJCL spirit that persists even when we are not together in person. My main goal as historian was to capture YOUR spirit, which is the heart of JCL and all of you CAJCLers definitely made that easy! From Nationals, to LUDI, SCRAM, and all of your Photo of the Month Submissions, our JCL spirit shines through. Your smiling faces and great enthusiasm have made my year, so I dedicate this scrapbook to all of you amazing CAJCLers out there!

The theme this year was "Omnis... summa ope niti decet ne vitam silentio transeant" meaning "It befits all to strive with the greatest effort, lest they pass their lives in silence." I saw that this quote represents the power of strength and unity that comes with teamwork. The scrapbook theme centers around CAJCLers reaching for the stars together! I think this year has shown us the power of our community when we are together and when we are apart, so please always remember to keep your fellow CAJCLers in your heart and together lets reach for the stars.
